

Tena koe,

I am writing to express my keen interest in the New Entrant Kaiako position at Pyes Pa Road School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute to your school's inclusive and nurturing learning environment.

My professional background is deeply rooted in supporting diverse learning needs, particularly for students with special educational requirements. Throughout my career, I have developed comprehensive strategies for working with children with autism, Down syndrome, ADHD, and intellectual disabilities, ensuring each child receives personalized, supportive educational experiences.

My Bachelor of Education in Foundation Phase, coupled with my current New Zealand Teaching Registration, provides a strong foundation for effective teaching. My additional qualifications in Makaton and Sign Language Module 1 & 2 further demonstrate my commitment to inclusive communication and ensuring every child can fully participate in their learning journey.

I am particularly drawn to Pyes Pa Road School's reputation for creating supportive, adaptive learning spaces. My expertise in curriculum adaptation and behavior modification aligns perfectly with the school's approach to nurturing young learners. My multicultural background and bilingual skills (English and Afrikaans) also enable me to connect with diverse student populations.

My passion lies in creating engaging, inclusive classrooms where every child feels valued and supported. I am committed to fostering an environment that celebrates individual differences and promotes collaborative, meaningful learning experiences.

I would welcome the opportunity to discuss how my skills and experience could contribute to your school's educational mission. Thank you for considering my application.

Kind regards,
