

Dear Hiring Manager,

I am writing to express my strong interest in the Learning Support Co-ordinator position at Massey High School. With over 18 years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your inclusive learning environment.

My professional background is deeply rooted in supporting students with diverse learning needs, including extensive experience working with students diagnosed with autism, Down syndrome, ADHD, and intellectual disabilities. As a registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I bring a comprehensive understanding of curriculum adaptation and individualised learning strategies.

My qualifications extend beyond traditional teaching credentials. I hold Makaton Certification and Sign Language (Modules 1 & 2), which enable me to communicate effectively with students who have diverse communication requirements. Throughout my career, I have successfully developed and implemented behaviour modification techniques and personalised learning plans that support students in achieving their full potential.

At the core of my teaching philosophy is a commitment to inclusive education. I understand that every student has unique strengths and challenges, and I am passionate about creating supportive, engaging learning environments that celebrate individual differences. My experience in curriculum adaptation and learning support has consistently demonstrated my ability to help students overcome barriers and develop critical academic and social skills.

I am particularly drawn to Massey High School's reputation for providing comprehensive support for students with special educational needs. I am confident that my skills, experience, and genuine dedication to student success would make me a valuable addition to your learning support team.

I look forward to the opportunity to discuss how my background aligns with your school's goals and vision.

Warm regards,

Henriette Charlotte Beeslaar
