Dear Hiring Manager,

I am writing to express my enthusiastic interest in the Teacher position at Waikato Waldorf School, where I believe my extensive experience in Foundation Phase and Special Education will align beautifully with your educational philosophy.

With 18+ years of dedicated teaching experience, I bring a comprehensive background in inclusive education and specialized support for students with diverse learning needs. My professional journey has been deeply focused on supporting children with autism, Down syndrome, ADHD, and intellectual disabilities, ensuring each student receives personalized, compassionate educational strategies.

My qualifications, including a Bachelor of Education (Foundation Phase) and current New Zealand Teaching Registration, provide a solid foundation for contributing effectively to your school community. Additionally, my Makaton and Sign Language certifications demonstrate my commitment to communication accessibility and inclusive learning environments.

The holistic, developmental approach of Waldorf education resonates strongly with my teaching philosophy. I am particularly passionate about creating adaptive learning experiences that nurture each child's unique potential, a principle that seems central to Rudolf Steiner's educational model.

My expertise in curriculum adaptation, behaviour modification, and early childhood development has consistently enabled me to design engaging, supportive learning environments. I am committed to supporting every student's academic, social, and emotional growth with empathy, creativity, and professional skill.

I am excited about the opportunity to bring my specialized skills and genuine passion for inclusive education to Waikato Waldorf School. I would welcome the opportunity to discuss how my background could contribute to your team.

Kind regards,

Henriette Charlotte Beeslaar
