I am writing to express my strong interest in the Kaiako Y1-3 position at Panama Road School. With over 18 years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your school's inclusive learning environment.

My professional background is deeply rooted in supporting diverse learners, particularly students with special educational needs. Throughout my career, I have developed comprehensive strategies for working with children with autism, Down syndrome, ADHD, and intellectual disabilities. My Makaton Certification and Sign Language qualifications have been instrumental in creating meaningful communication pathways for students with diverse communication needs.

As a registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I bring a robust understanding of curriculum adaptation and inclusive educational practices. My approach focuses on individualized learning support, behavior modification, and creating engaging, supportive classroom environments that enable every child to thrive.

My experience has taught me that every student has unique potential waiting to be discovered. I am passionate about designing adaptive learning experiences that celebrate individual strengths and provide targeted support. My multicultural background and bilingual skills (English and Afrikaans) further enhance my ability to connect with and support diverse student populations.
