Dear Hiring Manager,

I am writing to express my strong interest in the Social Science teaching position at Napier Girls' High School. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to bring my expertise in inclusive education and curriculum adaptation to your institution.

My extensive background includes specialized work with students with diverse learning needs, particularly those with autism, Down syndrome, ADHD, and intellectual disabilities. My Bachelor of Education (Foundation Phase) and current New Zealand Teaching Registration provide a solid foundation for delivering high-quality, adaptive educational experiences. Additionally, my Makaton and Sign Language certifications demonstrate my commitment to inclusive and accessible learning environments.

Having worked extensively with students requiring specialized educational support, I am particularly drawn to the comprehensive nature of this role. My experience in curriculum modification and behavior modification strategies aligns perfectly with the holistic approach required in secondary education. I am currently based in South Africa and am working closely with a licensed immigration advisor to ensure a smooth and professional relocation to New Zealand within six weeks of confirmation.

My multilingual skills in English and Afrikaans, combined with my deep understanding of diverse learning needs, position me as an ideal candidate who can provide nuanced, empathetic, and effective teaching. I am passionate about creating inclusive classroom environments that support every student's unique learning journey.

I look forward to discussing how my skills and experience can contribute to the educational excellence of Napier Girls' High School.

Kind regards,

Henriette Charlotte Beeslaar
