I am writing to express my strong interest in the New Entrant Teacher position at Silverstream School, where I am confident my extensive experience in Foundation Phase and Special Education will contribute significantly to your learning community.

With 18+ years of dedicated teaching experience, I bring a comprehensive background in supporting diverse learners, particularly those with special educational needs. My professional journey has been deeply focused on creating inclusive, adaptive learning environments for students with autism, Down syndrome, ADHD, and intellectual disabilities. My Bachelor of Education in Foundation Phase, coupled with my current NZ Teaching Registration, provides a solid foundation for delivering high-quality, student-centered education.

My specialized skills include curriculum adaptation, behavior modification, and individualized learning support. My Makaton and Sign Language certifications further demonstrate my commitment to communication accessibility and inclusive teaching practices. I am passionate about recognizing and nurturing each child's unique potential, especially during these critical early learning years.

Silverstream School's reputation for educational excellence and commitment to inclusive learning aligns perfectly with my professional philosophy. I am excited about the opportunity to contribute my expertise to your new entrant classroom, creating a supportive, engaging, and developmentally appropriate learning environment.

My multilingual background and extensive experience in special educational needs position me as an ideal candidate who can provide compassionate, professional, and skilled teaching for your youngest learners.

I would welcome the opportunity to discuss how my background and skills can contribute to Silverstream School's educational mission.
