

Here's the professional cover letter for Henriette Charlotte Beeslaar:

Dear Principal and Selection Committee,

I am writing to express my strong interest in the Kaiako Tau 5 position at Te Wharekura o Ruatoki. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that empower every student to reach their full potential.

My professional journey has been deeply committed to supporting learners with diverse educational needs. Throughout my career, I have developed comprehensive expertise in working with students with autism, Down syndrome, ADHD, and intellectual disabilities. My Makaton Certification and Sign Language qualifications have been instrumental in developing effective communication strategies for students with varying communication abilities.

As a registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I bring a robust understanding of curriculum adaptation and specialized learning support. My approach focuses on individualized learning plans, positive behavior modification techniques, and creating inclusive classroom environments that celebrate each student's unique strengths.

Te Wharekura o Ruatoki's commitment to holistic education deeply resonates with my professional philosophy. I am particularly drawn to the opportunity to contribute my extensive experience in special educational needs and inclusive teaching practices to your school community.

My bilingual background in English and Afrikaans, combined with my specialized training, enables me to communicate effectively and compassionately with students, colleagues, and families. I am excited about the potential to bring my skills, passion, and dedication to your school.

I look forward to the opportunity to discuss how my experience and expertise align with the Kaiako Tau 5 role.

Kind regards,
