Dear Hiring Manager,

I am writing to express my strong interest in the Certificated O2s kaiako position at Piccolo Park Early Learning Centre. With 18 years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your innovative early learning environment.

My professional journey has been deeply focused on inclusive education, with extensive experience supporting students with diverse learning needs. Throughout my career, I have successfully worked with children experiencing autism, Down syndrome, ADHD, and intellectual disabilities, developing personalised learning strategies that empower each child to reach their full potential. My Makaton and Sign Language certifications have been particularly valuable in creating inclusive, communication-rich learning spaces.

Holding a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I bring a comprehensive understanding of early childhood development and curriculum adaptation. My approach combines evidence-based educational practices with compassionate, individualised support. I am particularly skilled in behaviour modification and creating adaptive learning environments that celebrate each child's unique strengths.

Piccolo Park's commitment to nurturing young learners aligns perfectly with my professional philosophy. I am passionate about creating supportive, engaging learning experiences that build confidence, curiosity, and foundational skills for lifelong learning.

I would welcome the opportunity to discuss how my qualifications and experience could contribute to your team. Thank you for considering my application.

Warm regards,

Henriette Charlotte Beeslaar
