

Tena koe,

I am writing to express my strong interest in the Classroom Kaiako position at Whangarei Intermediate. With 18 years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that empower every student to reach their full potential.

My extensive background in working with students with diverse learning needs, including those with autism, Down syndrome, ADHD, and intellectual disabilities, has equipped me with specialized skills in curriculum adaptation and individualized learning support. My Bachelor of Education (Foundation Phase) and current New Zealand Teaching Registration, combined with my Makaton and Sign Language certifications, demonstrate my commitment to comprehensive and adaptive educational practices.

Throughout my career, I have developed a deep understanding of differentiated instruction and behavior modification strategies that support students with unique learning requirements. My approach centers on creating a compassionate, structured classroom environment where every student feels valued, understood, and capable of success.

I am particularly drawn to Whangarei Intermediate's reputation for inclusive education and am excited about the opportunity to contribute my expertise to your school community. My bilingual background in English and Afrikaans, coupled with my extensive experience in special educational needs, allows me to connect with students from diverse backgrounds and learning styles.

I am confident that my skills, experience, and dedication align perfectly with the requirements of this role. I would welcome the opportunity to discuss how my background could contribute to your school's mission of educational excellence.

Thank you for considering my application.

Warm regards,
