Dear Hiring Manager,

I am writing to express my strong interest in the Scale A teaching position at Pukenui School. With over 18 years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your school's inclusive learning environment.

My professional background is deeply rooted in supporting students with diverse learning needs, particularly those with autism, Down syndrome, ADHD, and intellectual disabilities. Throughout my career, I have developed a comprehensive approach to inclusive education that focuses on individualized learning strategies, curriculum adaptation, and positive behavior modification. My Makaton Certification and Sign Language qualifications further demonstrate my commitment to ensuring every student can effectively communicate and engage with their learning.

As a registered teacher with a Bachelor of Education in Foundation Phase, I bring not only extensive theoretical knowledge but also practical, hands-on experience in creating supportive and dynamic classroom environments. My background in curriculum adaptation (CAPS, DCAPS) allows me to design learning experiences that are both challenging and accessible to students with varied abilities.

Pukenui School's reputation for educational excellence and commitment to inclusive practices resonates deeply with my professional philosophy. I am passionate about nurturing each student's potential, celebrating their unique strengths, and providing targeted support that empowers them to thrive academically and personally.

I am confident that my skills, experience, and dedication would make me a valuable addition to your teaching team. I look forward to the opportunity to discuss how my background aligns with Pukenui School's educational goals.

Kind regards,
