Subject: Application for Scale A Teacher Position - Y5-6

Dear Principal and Hiring Committee,

I am writing to express my strong interest in the Scale A teacher position for Years 5-6 at Freyberg Community School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident in my ability to contribute meaningfully to your school's learning environment.

My extensive background in inclusive education, particularly supporting students with diverse learning needs such as autism, Down syndrome, ADHD, and intellectual disabilities, aligns perfectly with contemporary educational approaches. My Bachelor of Education in Foundation Phase, combined with current NZ Teaching Registration, provides a solid foundation for delivering high-quality, adaptive instruction.

Throughout my career, I have developed specialized skills in curriculum adaptation, behavior modification, and creating supportive learning environments that enable every student to thrive. My Makaton Certification and Sign Language training further demonstrate my commitment to inclusive communication strategies.

Freyberg Community School's reputation for supporting individual student potential resonates deeply with my professional philosophy. I am passionate about creating engaging, differentiated learning experiences that celebrate each student's unique strengths and learning profile.

My multicultural background and bilingual capabilities (English and Afrikaans) enhance my ability to connect with diverse student populations and foster an inclusive classroom culture.

I am excited about the opportunity to bring my expertise to your school and contribute to the academic and personal growth of your students. I would welcome the opportunity to discuss how my skills and experience align with Freyberg Community School's educational vision.

Thank you for considering my application.

Warm regards,
