

Tena koe,

I am writing to express my strong interest in the Kaiako / team leader position at Kihikihi School, bringing 18 years of dedicated experience in Foundation Phase and Special Education.

My comprehensive background in inclusive education, particularly supporting students with diverse learning needs, aligns perfectly with the collaborative and supportive approach I understand Kihikihi School values. Throughout my career, I have developed specialised expertise in working with students with autism, Down syndrome, ADHD, and intellectual disabilities, consistently demonstrating a commitment to individualised learning and holistic student development.

As a professionally registered teacher with a Bachelor of Education in Foundation Phase and additional certifications in Makaton and Sign Language, I offer a unique skill set that supports comprehensive communication and learning strategies. My experience in curriculum adaptation and behaviour modification has enabled me to create inclusive, engaging learning environments that support every student's potential.

My approach combines professional pedagogical knowledge with genuine compassion, ensuring that each learner receives tailored support. I am particularly skilled at developing individualised education plans, implementing adaptive teaching strategies, and collaborating closely with families and support professionals to achieve optimal student outcomes.

I am excited about the opportunity to contribute to Kihikihi School's learning community, bringing my multilingual capabilities, extensive special education experience, and passionate commitment to inclusive education. I believe my background would be a valuable addition to your team, supporting your school's mission of nurturing every child's unique learning journey.

I look forward to discussing how my skills and experience can contribute to your school's vision.

Kind regards,
