Dear Hiring Manager,

I am writing to express my strong interest in the Classroom Teacher position at Levin School, as advertised with reference #1HAqpG. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am confident in my ability to contribute meaningfully to your educational team.

My extensive background includes specialized expertise in supporting students with diverse learning needs, particularly those with autism, Down syndrome, ADHD, and intellectual disabilities. As a professionally registered teacher with a Bachelor of Education in Foundation Phase and NZ Teaching Registration, I bring a comprehensive and inclusive approach to education that prioritizes individual student growth and potential.

My professional qualifications extend beyond traditional teaching credentials. I hold Makaton Certification and Sign Language (Modules 1 & 2), which enable me to communicate effectively with students who have varied communication requirements. My experience in curriculum adaptation and behavior modification has consistently supported students in achieving their academic and personal development goals.

Currently based in South Africa, I am actively working with a licensed immigration advisor to ensure a smooth relocation to New Zealand within six weeks of potential employment. My international teaching background and adaptable teaching methodologies will allow me to quickly integrate into the New Zealand educational context.

I am particularly drawn to Levin School's commitment to holistic education and am excited about the opportunity to contribute my skills across multiple curriculum areas, including English, Health and Physical Education, Mathematics, and Social Sciences.

Thank you for considering my application. I look forward to discussing how my experience and passion for inclusive education can benefit your school community.

Kind regards,

Henriette Charlotte Beeslaar
