

Tena koe,

I am writing to apply for the Junior classroom Kaiako position at Koraunui School, and I am excited about the opportunity to contribute my extensive experience in Foundation Phase and Special Education to your tamariki.

With 18+ years of dedicated teaching experience, I bring a robust background in inclusive education and specialized support for learners with diverse needs. My Bachelor of Education (Foundation Phase) and current NZ Teaching Registration, combined with my Makaton and Sign Language certifications, have equipped me with comprehensive skills to create adaptive and supportive learning environments.

Throughout my career, I have developed extensive expertise in supporting students with special educational needs, including those with autism, Down syndrome, ADHD, and intellectual disabilities. My approach focuses on personalized curriculum adaptation, behavior modification, and creating inclusive classroom strategies that empower every child to reach their full potential.

I am particularly drawn to Koraunui School's commitment to Maori medium education and the opportunity to work within a culturally rich learning environment. My multilingual background and experience in curriculum development enable me to bring a nuanced, respectful approach to teaching and learning.

My professional philosophy centers on recognizing each child's unique strengths, providing targeted support, and fostering an environment of acceptance, growth, and mutual respect. I am confident that my skills, experience, and passion for inclusive education align perfectly with the goals of Koraunui School.

I look forward to the opportunity to discuss how my background and expertise can contribute to your school community.

Warm regards,

Henriette Charlotte Beeslaar
