Dear Hiring Committee at Parkvale School,

I am writing to express my enthusiastic interest in the 0.6 release teacher position at Norsewood and Districts School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident that my expertise aligns perfectly with your school's needs.

My background includes extensive work with students with diverse learning requirements, specializing in supporting learners with autism, Down syndrome, ADHD, and intellectual disabilities. My Bachelor of Education in Foundation Phase, coupled with my current NZ Teaching Registration, positions me as a highly qualified candidate committed to inclusive and adaptive education.

Having developed comprehensive skills in curriculum adaptation, behavior modification, and individualized learning support, I bring a nuanced understanding of creating accessible educational environments. My Makaton and Sign Language certifications further demonstrate my commitment to communication diversity and inclusive teaching practices.

I am currently based in South Africa and am actively working with a licensed immigration advisor to ensure a smooth transition to New Zealand. I am prepared to relocate within six weeks of confirmation and am excited about the opportunity to contribute to your educational community.

Your school's commitment to supporting learners across Years 1-8 resonates deeply with my professional philosophy. I am particularly drawn to the holistic approach of your curriculum and the opportunity to support students' literacy and numeracy development.

I look forward to discussing how my skills and experience can contribute to Parkvale School's educational mission.

Kind regards,

Henriette Charlotte Beeslaar
