Dear Hiring Manager,

I am writing to express my strong interest in the design/technology teaching position at ACG Strathallan for the upcoming fixed-term placement from 19 January to 02 April 2026. With 18 years of extensive experience in Foundation Phase and Special Education, I am confident in my ability to provide exceptional educational support and engaging learning experiences for your students.

My background is particularly well-suited to inclusive educational environments. Throughout my career, I have specialized in working with students with diverse learning needs, including those with autism, Down syndrome, ADHD, and intellectual disabilities. My NZ Teaching Registration and Bachelor of Education in Foundation Phase, combined with my Makaton and Sign Language certifications, demonstrate my commitment to adaptive and supportive teaching methodologies.

ACG Strathallan's reputation for educational excellence aligns perfectly with my professional philosophy of creating dynamic, inclusive learning environments. My extensive experience in curriculum adaptation and behavior modification enables me to design innovative learning experiences that support every student's unique potential. I am particularly adept at developing tailored technological learning approaches that make design and technology accessible and engaging for all learners.

I am excited about the opportunity to contribute my skills and passion to your school community during this short-term placement. My multilingual background and deep understanding of developmental education will ensure a smooth and enriching learning experience for your students.

I look forward to discussing how my skills and experience can contribute to ACG Strathallan's educational objectives.

Kind regards,

Henriette Charlotte Beeslaar
