Dear Hiring Manager,

I am writing to express my keen interest in the ECE kaiako position at Riverhead Montessori Learning Centre. With 18 years of specialized experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your esteemed learning environment.

My professional background is deeply rooted in inclusive education, with extensive experience supporting students with diverse learning needs, including autism, Down syndrome, ADHD, and intellectual disabilities. My Bachelor of Education in Foundation Phase, combined with my current New Zealand Teaching Registration, positions me uniquely to support your educational philosophy.

Throughout my career, I have developed a holistic approach to teaching that embraces individual learning differences. My Makaton certification and Sign Language qualifications have enabled me to create inclusive, adaptive learning experiences that support every child's unique potential. I am particularly passionate about curriculum modification and behavior modification strategies that empower students to thrive.

The Montessori approach resonates strongly with my educational philosophy of child-centered, self-directed learning. My experience in curriculum adaptation and deep understanding of early childhood development align seamlessly with Montessori principles of nurturing independence and intrinsic motivation.

I am enthusiastic about the possibility of bringing my multilingual background and specialized skills to Riverhead Montessori Learning Centre. My commitment to creating supportive, engaging learning environments makes me confident that I would be a valuable addition to your team.

I look forward to discussing how my experience and passion can contribute to your educational community.

Kind regards,
