Dear Hiring Manager,

I am writing to express my strong interest in the Classroom Teacher position for Y1-3 at Dairy Flat School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident in my ability to contribute meaningfully to your school's learning environment.

My extensive background in supporting students with diverse learning needs, including autism, Down syndrome, ADHD, and intellectual disabilities, aligns perfectly with the inclusive educational approach I understand Dairy Flat School values. As a registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I bring both professional qualifications and deep practical expertise in creating adaptive, supportive learning experiences.

My teaching philosophy centres on recognising each child's unique potential and designing personalised learning strategies. With additional certifications in Makaton and Sign Language, I am skilled at communication and ensuring every student can access and engage with curriculum content. My experience in curriculum adaptation and behaviour modification enables me to create inclusive, dynamic classroom environments where all learners can thrive.

Throughout my career, I have developed robust skills in early childhood development, learning support, and creating differentiated learning experiences. My multicultural background and bilingual capabilities (English and Afrikaans) further enhance my ability to connect with diverse student populations.

I am excited about the opportunity to bring my passion, expertise, and commitment to student success to Dairy Flat School. I look forward to discussing how my skills and experience can contribute to your educational team.

Kind regards,

Henriette Charlotte Beeslaar
