

Kia ora,

I am writing to express my strong interest in the Curriculum Leader position at Templeton Nursery and Preschool. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your inclusive and nurturing educational environment.

My professional background is deeply rooted in supporting diverse learners, particularly students with special educational needs. Throughout my career, I have developed comprehensive strategies for working with children with autism, Down syndrome, ADHD, and intellectual disabilities. My approach centers on creating adaptive, inclusive learning environments that celebrate each child's unique potential.

As a fully registered Kaiako with a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I bring a robust skill set that aligns perfectly with your school's requirements. My additional certifications in Makaton and Sign Language Module 1 & 2 further demonstrate my commitment to inclusive communication and supporting children with diverse learning needs.

My experience in curriculum adaptation, behavior modification, and early childhood development has consistently enabled me to design engaging, supportive learning experiences. I am passionate about creating educational spaces where every child feels valued, understood, and empowered to learn.

Templeton Nursery and Preschool's commitment to inclusive education resonates strongly with my professional philosophy. I am enthusiastic about the potential to contribute to your team and support the holistic development of the children in your care.

I would welcome the opportunity to discuss how my skills and experience can contribute to your educational community.

Kind regards,
