

Tena koe,

I am writing to express my strong interest in the Registered ECE kaiako position at Kauri Seeds Preschool. With 18 years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that nurture every child's unique potential.

My professional background is deeply rooted in supporting children with diverse learning needs, particularly those with autism, Down syndrome, ADHD, and intellectual disabilities. Throughout my career, I have developed a comprehensive approach to inclusive education that focuses on individual strengths, adaptive curriculum strategies, and compassionate support.

As a fully registered teacher with a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I bring not only extensive qualifications but also specialized certifications in communication support, including Makaton and Sign Language modules. These skills enable me to communicate effectively with children who have varied communication needs, ensuring every child feels heard and understood.

My teaching philosophy centers on creating a warm, inclusive classroom environment where every child can thrive. I excel in developing personalized learning strategies, modifying curricula to support individual learning styles, and implementing positive behavior modification techniques. My experience has consistently demonstrated that with the right support, every child can make meaningful educational progress.

I am particularly drawn to Kauri Seeds Preschool's commitment to holistic, child-centered learning. Your approach resonates deeply with my professional values and pedagogical methods. I am excited about the opportunity to contribute my expertise and passion to your educational community.

Thank you for considering my application. I look forward to discussing how my skills and experience align with your team's vision.

Kind regards,

Henriette Charlotte Beeslaar
