Dear Hiring Manager,

I am writing to express my strong interest in the Primary Teacher position at MHJC School. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your educational community.

My professional background is particularly aligned with inclusive education and supporting students with diverse learning needs. Throughout my career, I have worked extensively with students experiencing autism, Down syndrome, ADHD, and intellectual disabilities, developing tailored learning strategies that maximize each child's potential. My NZ Teaching Registration and Bachelor of Education (Foundation Phase) qualification ensure I am professionally prepared to meet New Zealand's educational standards.

As a specialist in curriculum adaptation and learning support, I bring a comprehensive skill set that includes Makaton certification and Sign Language proficiency (Module 1 & 2). My approach focuses on creating supportive, engaging learning environments where every student can thrive. I am particularly passionate about developing individualized learning plans that respect each student's unique strengths and challenges.

I am currently based in South Africa and am working with a licensed immigration advisor to ensure a smooth transition to New Zealand. I am available to relocate within six weeks of formal job offer and am fully committed to bringing my international teaching experience to MHJC School.

My multilingual background in English and Afrikaans, combined with my extensive special education experience, positions me as an ideal candidate for your team. I am eager to discuss how my skills and passion for inclusive education can contribute to your school's mission.

Thank you for considering my application. I look forward to the opportunity to further discuss how I can support MHJC School's educational objectives.

Warm regards,
