I am writing to express my strong interest in the Y7-8 Kaiako position at Maidstone Intermediate. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident in my ability to contribute meaningfully to your school's inclusive learning environment.

My professional journey has been deeply focused on supporting diverse learners, particularly students with special educational needs. Having worked extensively with students with autism, Down syndrome, ADHD, and intellectual disabilities, I have developed comprehensive strategies for curriculum adaptation and personalized learning approaches. My Makaton and Sign Language certifications further enhance my ability to communicate and support students with varied communication needs.

As a registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I am well-versed in the national curriculum and committed to creating engaging, adaptive learning experiences. My background in behavior modification and early childhood development enables me to design inclusive classroom environments that support every student's unique learning potential.

I am particularly drawn to Maidstone Intermediate's reputation for innovative and supportive teaching practices. Your commitment to holistic student development aligns perfectly with my educational philosophy of nurturing individual strengths and providing targeted learning support.

My bilingual capability in English and Afrikaans, combined with my extensive experience in special education, positions me as an ideal candidate who can bring diverse perspectives and inclusive teaching methodologies to your school.

I am excited about the opportunity to contribute to your learning community and would welcome the chance to discuss how my skills and experience could benefit Maidstone Intermediate.

Kind regards,
