

Dear Hiring Manager,

I am writing to express my strong interest in the Learning Support Coordinator position at Selwyn Ridge School. With over 18 years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your inclusive educational environment.

My professional background is deeply rooted in supporting students with diverse learning needs, particularly those with autism, Down syndrome, ADHD, and intellectual disabilities. My Bachelor of Education in Foundation Phase, combined with my current New Zealand Teaching Registration, positions me uniquely to provide comprehensive learning support. My additional qualifications in Makaton and Sign Language (Modules 1 & 2) further demonstrate my commitment to creating accessible learning experiences for all students.

Throughout my career, I have developed robust skills in curriculum adaptation, behaviour modification, and individualized learning strategies. My approach is centred on understanding each student's unique strengths and challenges, designing tailored educational interventions that promote meaningful engagement and academic progress. I am particularly passionate about creating inclusive classroom environments that celebrate neurodiversity and support every learner's potential.

Selwyn Ridge School's reputation for dedicated, student-centred education aligns perfectly with my professional philosophy. I am confident that my extensive experience, specialized skills, and genuine commitment to special education would be a valuable asset to your learning support team.

I would welcome the opportunity to discuss how my background and expertise could contribute to your school's mission of inclusive, high-quality education.

Kind regards,
