Dear Hiring Manager,

I am writing to express my strong interest in the Technology & Careers Teacher position at Marlborough Girls' College. With 18+ years of specialized experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute to your learning support team.

My comprehensive background includes NZ Teaching Registration and a Bachelor of Education in Foundation Phase, complemented by extensive expertise in supporting students with diverse learning needs. Throughout my career, I have developed robust skills in working with students with autism, Down syndrome, ADHD, and intellectual disabilities, creating inclusive and adaptive learning environments that empower every student to reach their potential.

My Makaton Certification and Sign Language qualifications have further enhanced my ability to communicate and support students with varied communication needs. I am particularly passionate about curriculum adaptation and behavior modification strategies that enable students to engage meaningfully with educational content.

I am currently based in South Africa and am working closely with a licensed immigration advisor to ensure a smooth transition to New Zealand. I am available to relocate within six weeks of confirmation and am fully committed to bringing my international teaching experience to Marlborough Girls' College.

Your school's commitment to comprehensive learning support aligns perfectly with my professional philosophy of inclusive, student-centered education. I am eager to contribute my skills, multilingual capabilities, and deep understanding of diverse learning needs to your educational team.
