

Dear Principal and Hiring Committee,

I am writing to express my strong interest in the Y2-3 classroom teacher position at Temuka Primary School for 2026. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am confident in my ability to contribute meaningfully to your school's learning environment.

My professional journey has been deeply focused on inclusive education, with extensive expertise in supporting students with diverse learning needs, including autism, Down syndrome, ADHD, and intellectual disabilities. My Bachelor of Education in Foundation Phase, combined with my current New Zealand Teaching Registration, provides a robust foundation for delivering high-quality, adaptive educational experiences.

My specialized skills in curriculum adaptation, behavior modification, and learning support have consistently enabled me to create engaging, supportive classroom environments where every child can thrive. My Makaton Certification and Sign Language qualifications further underscore my commitment to inclusive communication strategies that ensure all students can fully participate in their learning journey.

Temuka Primary School's reputation for nurturing individual potential strongly resonates with my educational philosophy. I am particularly excited about the opportunity to bring my multilingual background and comprehensive special education experience to your Y2-3 classroom, supporting each student's unique learning pathway.

My comprehensive background in early childhood development, coupled with my proven track record of creating differentiated learning experiences, positions me as an ideal candidate for this role. I am passionate about fostering an inclusive, supportive, and stimulating learning environment that celebrates every child's potential.

I look forward to the opportunity to discuss how my skills and experience align with Temuka Primary School's educational goals.

Warm regards,
