

Dear Hiring Manager,

I am writing to express my strong interest in the Learning Support Coordinator position at Puhinui School. With over 18 years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your inclusive educational environment.

My professional background is specifically aligned with supporting diverse learning needs. Throughout my career, I have developed comprehensive support strategies for students with a range of neurodevelopmental conditions, including autism, Down syndrome, ADHD, and intellectual disabilities. My approach focuses on creating personalised learning pathways that celebrate individual strengths and provide targeted interventions.

As a fully registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I bring not only extensive theoretical knowledge but practical, compassionate implementation of inclusive educational practices. My additional certifications in Makaton and Sign Language further demonstrate my commitment to communication accessibility and ensuring every student can fully engage with their learning environment.

My key strengths include curriculum adaptation, behaviour modification strategies, and developing comprehensive learning support plans. I am particularly passionate about creating educational experiences that are both academically rigorous and emotionally supportive, ensuring every student can achieve their maximum potential.

Puhinui School's reputation for excellence in inclusive education strongly resonates with my professional philosophy. I am enthusiastic about the possibility of contributing to your dedicated team and supporting your students' diverse learning journeys.

I would welcome the opportunity to discuss how my skills and experience align with your school's learning support objectives.

Warm regards,
