Dear Hiring Manager,

I am writing to express my enthusiastic interest in the classroom teacher position at Liston College, as advertised. With 18+ years of experience in Foundation Phase and Special Education, I am confident that my expertise in inclusive education and extensive background will be a valuable asset to your school.

My professional journey has been deeply rooted in supporting students with diverse learning needs, particularly those with autism, Down syndrome, ADHD, and intellectual disabilities. I hold a Bachelor of Education in Foundation Phase, current NZ Teaching Registration, and specialized certifications in Makaton and Sign Language, which have enabled me to create truly inclusive learning environments.

Currently based in South Africa, I am actively working with a licensed immigration advisor to ensure a smooth transition to New Zealand and am available to relocate within six weeks of confirmation. My comprehensive understanding of curriculum adaptation, behavior modification, and early childhood development aligns perfectly with Liston College's commitment to holistic student support.

My multilingual background (English and Afrikaans) and extensive experience in differentiated instruction make me well-prepared to engage students across various learning styles and backgrounds. I am particularly drawn to Liston College's comprehensive approach to education and the opportunity to contribute to your dynamic learning community.

I am excited about the possibility of bringing my specialized skills and passionate teaching approach to your school. I would welcome the opportunity to discuss how my experience can contribute to your educational team.

Kind regards,

Henriette Charlotte Beeslaar
