

Tena koe,

I am writing to express my strong interest in the Potiki Kaiako position at Koromatua School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that empower every child to reach their full potential.

My professional background is uniquely suited to this role, with extensive expertise in supporting students with diverse learning needs, including those with autism, Down syndrome, ADHD, and intellectual disabilities. My Bachelor of Education in Foundation Phase, combined with my current New Zealand Teaching Registration, has equipped me with comprehensive skills in curriculum adaptation and inclusive educational practices.

My Makaton Certification and Sign Language qualifications demonstrate my commitment to communication diversity and ensuring every student can effectively engage with their learning environment. I have a proven track record of developing individualized learning strategies that support students' unique strengths and challenges, always focusing on building confidence and academic progress.

Koromatua School's reputation for inclusive and student-centered education deeply resonates with my professional philosophy. I am excited by the opportunity to contribute my specialized skills to your learning community, bringing a compassionate and evidence-based approach to teaching and learning support.

My multilingual background and experience in behavior modification strategies enable me to create dynamic, responsive classroom environments where all students feel valued and supported. I am committed to continuous professional growth and collaborative teaching practices.

I would welcome the opportunity to discuss how my experience and passion align with Koromatua School's educational goals.
