

Dear Hiring Manager,

I am writing to express my keen interest in the Curriculum Leader position at Templeton Nursery and Preschool. With 18 years of dedicated experience in Foundation Phase and Special Educational Needs teaching, I am excited about the opportunity to contribute my expertise to your innovative educational team.

My comprehensive background in special education, particularly in supporting students with autism, Down syndrome, ADHD, and intellectual disabilities, aligns perfectly with the inclusive educational approaches I understand are valued in New Zealand's early childhood settings. My Bachelor of Education (Foundation Phase) and current NZ Teaching Registration provide a solid foundation for curriculum leadership, while my additional certifications in Makaton and Sign Language demonstrate my commitment to communication and accessibility for all learners.

Throughout my career, I have developed a proven track record of curriculum adaptation, behaviour modification, and creating supportive learning environments that celebrate individual student strengths. My experience spans working with diverse learning needs, developing individualised educational plans, and implementing inclusive teaching strategies that promote meaningful engagement and progress.

Templeton Nursery and Preschool's reputation for progressive, child-centred education resonates deeply with my professional philosophy. I am passionate about nurturing young learners, supporting their holistic development, and creating environments where every child can thrive regardless of their unique learning profile.

I am confident that my extensive experience, specialised skills, and genuine commitment to inclusive education would make me a valuable addition to your team. I look forward to the opportunity to discuss how my background can contribute to your school's educational mission.

Warm regards,
