

Tena koe,

I am writing to express my enthusiastic interest in the Kaiako position at Karanga Mai Early Learning Centre. With 18 years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that nurture every child's unique potential.

My professional background is particularly well-aligned with your centre's needs. As a Bachelor of Education graduate with New Zealand Teaching Registration, I bring extensive expertise in supporting children with diverse learning requirements, including students with autism, Down syndrome, ADHD, and intellectual disabilities. My Makaton and Sign Language certifications further demonstrate my commitment to inclusive communication strategies.

Throughout my career, I have developed robust skills in curriculum adaptation, individualized learning support, and behaviour modification. My approach prioritizes understanding each child's strengths and creating tailored educational experiences that promote confidence, independence, and holistic development. My multilingual background in English and Afrikaans also enables me to connect meaningfully with diverse learner groups.

I am particularly drawn to Karanga Mai's reputation for nurturing early childhood development and am excited about the opportunity to contribute my specialized skills to your team. My commitment to special educational needs, combined with my extensive classroom experience, positions me as an ideal candidate who can make a significant positive impact.

I look forward to discussing how my background and passion for inclusive education can support Karanga Mai's mission. Thank you for considering my application.

Warm regards,

Henriette Charlotte Beeslaar
