Dear Hiring Manager,

I am writing to express my strong interest in the Scale A classroom teacher positions (Y0-6) at Dalefield School. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am confident that my expertise in inclusive education and working with diverse learning needs makes me an exceptional candidate for these roles.

My professional background is deeply rooted in supporting students with special educational needs, including extensive experience working with children with autism, Down syndrome, ADHD, and intellectual disabilities. Throughout my career, I have developed a nuanced approach to curriculum adaptation and behavior modification that empowers students to reach their full potential. My Makaton Certification and Sign Language qualifications further demonstrate my commitment to inclusive communication and learning strategies.

Holding a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I am fully prepared to contribute effectively to Dalefield School's educational environment. My teaching philosophy centers on creating supportive, engaging learning spaces where every student can thrive, regardless of their individual challenges.

My professional skills include developing personalised learning plans, implementing targeted intervention strategies, and collaborating closely with families and support professionals. I am passionate about early childhood development and have a proven track record of helping students build confidence, develop critical skills, and achieve meaningful educational progress.

I am excited about the opportunity to bring my multilingual background and extensive special education expertise to Dalefield School. I would welcome the chance to discuss how my skills align with your school's educational goals.

Kind regards,

Henriette Charlotte Beeslaar
