

Tena koe,

I am writing to express my strong interest in the Kaiako Wharekura position at TKKM o Ngati Kahungunu o Te Wairoa. With 18 years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your educational community.

My professional journey has been deeply focused on inclusive education and supporting learners with diverse needs. Throughout my career, I have developed specialized skills in working with students with autism, Down syndrome, ADHD, and intellectual disabilities. My approach is centered on creating adaptive, supportive learning environments that empower every child to reach their full potential.

Holding a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I bring both academic knowledge and practical experience to my teaching practice. My additional certifications in Makaton and Sign Language (Modules 1 & 2) further demonstrate my commitment to inclusive communication and supporting learners with diverse communication needs.

My extensive experience in curriculum adaptation, behavior modification, and early childhood development has equipped me with robust strategies for engaging and supporting students across different learning profiles. I am passionate about creating inclusive classrooms where every child feels valued, understood, and capable of learning.

I am particularly drawn to TKKM o Ngati Kahungunu o Te Wairoa's commitment to educational excellence and cultural responsiveness. My multilingual background and adaptive teaching approach align closely with your institution's values.

I would welcome the opportunity to discuss how my skills and experience could contribute to your educational team. Thank you for considering my application.

Kind regards,
