

Tena koe,

I am writing to express my strong interest in the Kaiako position at Te Aho o Te Kura Pounamu, where I believe my extensive experience in Foundation Phase and Special Education will be a valuable asset to your team.

With over 18 years of dedicated teaching experience, I bring a comprehensive background in supporting students with diverse learning needs, particularly those with autism, Down syndrome, ADHD, and intellectual disabilities. My Bachelor of Education in Foundation Phase, combined with my current New Zealand Teaching Registration, reflects my commitment to delivering high-quality, inclusive educational experiences.

My professional journey has been deeply rooted in creating adaptive learning environments that celebrate individual strengths and support unique learning pathways. My Makaton certification and Sign Language qualifications further demonstrate my ability to communicate effectively with students who have varied communication needs. I am passionate about developing curriculum strategies that are responsive, engaging, and tailored to each student's potential.

Throughout my career, I have successfully implemented behaviour modification techniques, developed personalized learning plans, and collaborated closely with multidisciplinary teams to ensure holistic student support. My approach emphasizes building confidence, promoting independence, and creating inclusive classroom cultures where every learner can thrive.

I am particularly drawn to Te Aho o Te Kura Pounamu's commitment to innovative and responsive education. Your approach resonates deeply with my professional philosophy of nurturing each student's unique learning journey.

I am excited about the opportunity to contribute my expertise and passion to your educational community and would welcome the chance to discuss how my skills align with your team's vision.
