

Tena koe,

I am writing to express my keen interest in the Kaiako wharekura - Tau 8 position at TKKM o Taumarere. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident my expertise aligns perfectly with your educational vision and commitment to inclusive learning.

My professional journey has been deeply focused on supporting students with diverse learning needs, particularly those with autism, Down syndrome, ADHD, and intellectual disabilities. My Bachelor of Education (Foundation Phase) and current New Zealand Teaching Registration provide a strong pedagogical foundation, while my additional Makaton and Sign Language certifications demonstrate my commitment to communication accessibility and inclusive educational practices.

Throughout my career, I have developed specialized skills in curriculum adaptation, behavior modification, and personalized learning strategies. My approach centers on recognizing each student's unique potential and creating supportive, engaging learning environments that foster both academic and personal growth.

I am particularly drawn to TKKM o Taumarere's reputation for culturally responsive and holistic education. My multilingual background and experience working with diverse student populations have prepared me to contribute meaningfully to your school's learning community.

My comprehensive understanding of developmental stages, combined with my passion for special educational support, enables me to design innovative, inclusive learning experiences that meet individual student needs while maintaining high educational standards.

I would welcome the opportunity to discuss how my skills and experience could contribute to your school's mission. I am excited about the potential of joining your dedicated team and supporting the next generation of learners.

Nga mihi nui,
