With 18+ years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive and supportive learning environments for students with diverse educational needs.

My comprehensive background in special educational support, particularly with students experiencing autism, Down syndrome, ADHD, and intellectual disabilities, aligns perfectly with the requirements of this role. My Bachelor of Education in Foundation Phase, combined with my current New Zealand Teaching Registration, provides a solid foundation for effective learning support coordination.

Throughout my career, I have developed specialized skills in curriculum adaptation, behavior modification, and individualized learning strategies. My Makaton Certification and Sign Language qualifications (Modules 1 & 2) further demonstrate my commitment to inclusive communication and supporting students with diverse learning requirements.

Waiau Pa School's commitment to inclusive education resonates deeply with my professional philosophy. I am particularly excited about the opportunity to contribute my expertise in creating adaptive learning environments that celebrate each student's unique potential. My experience in developing comprehensive support plans and collaborating with multidisciplinary teams would be a valuable asset to your school community.

I am confident that my extensive experience, specialized qualifications, and genuine passion for supporting students with additional learning needs make me an ideal candidate for this position. I look forward to the opportunity to discuss how my skills and experience can contribute to Waiau Pa School's learning support goals.
