

Tena koe,

I am writing to express my strong interest in the Y7-8 Kaiako position at Maidstone Intermediate. With 18 years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that empower every student to reach their full potential.

My extensive background in supporting students with diverse learning needs, particularly those with autism, Down syndrome, ADHD, and intellectual disabilities, aligns perfectly with the inclusive educational approach I understand Maidstone Intermediate values. My NZ Teaching Registration and Bachelor of Education in Foundation Phase, coupled with specialized certifications in Makaton and Sign Language, equip me with unique skills to support students with varied communication and learning requirements.

Throughout my career, I have developed a comprehensive approach to curriculum adaptation and behavior modification that focuses on individual student strengths. My experience in designing personalized learning strategies has consistently helped students overcome educational challenges and build confidence in their abilities.

Maidstone Intermediate's commitment to holistic student development resonates deeply with my educational philosophy. I am particularly excited about the opportunity to contribute my expertise in inclusive education and special needs support to your intermediate school environment.

My multilingual background and extensive experience in early childhood development enable me to create engaging, adaptive learning experiences that meet each student's unique needs. I am committed to fostering a classroom culture of respect, understanding, and continuous growth.

I would welcome the opportunity to discuss how my skills and experience can contribute to your school's educational objectives. Thank you for considering my application.

Warm regards,
