Dear Hiring Committee,

I am writing to express my enthusiastic interest in the two Kaiako positions within the Rumaki syndicate at Nawton School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident my expertise aligns perfectly with your educational needs.

My professional journey has been deeply committed to inclusive education, particularly supporting students with diverse learning requirements. Throughout my career, I have developed specialised strategies for working with students with autism, Down syndrome, ADHD, and intellectual disabilities. My Makaton Certification and Sign Language qualifications further enhance my ability to communicate effectively with students who have varied communication needs.

Holding a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I bring a robust academic and practical foundation to my teaching practice. My experience in curriculum adaptation (CAPS, DCAPS) and behaviour modification strategies enables me to create dynamic, supportive learning environments where every student can thrive.

Nawton School's commitment to inclusive and responsive education resonates deeply with my professional philosophy. I am passionate about creating learning spaces that celebrate individual strengths and provide targeted support to help each student reach their full potential.

My bilingual background in English and Afrikaans, combined with my extensive special education experience, positions me as a versatile and empathetic educator ready to contribute meaningfully to your school community.

I would welcome the opportunity to discuss how my skills and experience could support the Rumaki syndicate's educational goals.

Kind regards,

Henriette Charlotte Beeslaar
