

Dear Hiring Manager,

I am writing to express my strong interest in the Classroom Teacher position at Peria School. With over 18 years of dedicated experience in Foundation Phase and Special Education, I am confident that my expertise and passion for inclusive education make me an excellent candidate for this role.

My professional background is deeply rooted in supporting students with diverse learning needs, particularly those with autism, Down syndrome, ADHD, and intellectual disabilities. Throughout my career, I have developed a comprehensive approach to curriculum adaptation and inclusive teaching strategies that ensure every student can access and engage with learning opportunities.

As a registered teacher with a Bachelor of Education in Foundation Phase and additional certifications in Makaton and Sign Language, I bring a unique set of skills to support diverse learners. My experience has taught me that each child has extraordinary potential when provided with tailored, compassionate, and strategic educational support.

I am particularly drawn to Peria School's commitment to creating an inclusive and nurturing learning environment. My background in behavior modification and early childhood development aligns perfectly with the school's approach to supporting individual student growth and potential.

My ability to communicate effectively in both English and Afrikaans, combined with my extensive experience in special educational needs, allows me to connect with students, colleagues, and families in meaningful and supportive ways.

I am excited about the opportunity to contribute my skills and passion to your school community and would welcome the chance to discuss how my experience can support your educational goals.

Thank you for considering my application.

Warm regards,
