Dear Hiring Manager

I am writing to express my strong interest in the Mathematics Support Teacher position (Y1-6) at Middleton Grange School, a role that perfectly aligns with my extensive background in Foundation Phase and Special Education.

With 18 years of dedicated teaching experience, including specialized support for students with diverse learning needs, I am excited about the opportunity to contribute to your inclusive educational environment. My comprehensive background encompasses working with students with autism, Down syndrome, ADHD, and intellectual disabilities, ensuring personalized learning approaches that maximize each student's potential.

My New Zealand Teaching Registration and Bachelor of Education in Foundation Phase, complemented by my Makaton and Sign Language certifications, demonstrate my commitment to inclusive and adaptive teaching methodologies. My expertise in curriculum adaptation and behavior modification allows me to create supportive, engaging mathematical learning experiences tailored to individual student requirements.

Middleton Grange School's commitment to comprehensive student support resonates deeply with my professional philosophy. The fixed-term special project position presents an excellent opportunity to apply my skills in mathematics support, particularly for students with diverse learning needs.

My multilingual capabilities in English and Afrikaans, combined with my specialized training in learning support, enable me to communicate effectively and create inclusive, accessible learning environments. I am particularly passionate about developing innovative strategies that make mathematics accessible and enjoyable for all students.

I am enthusiastic about the possibility of contributing to your school's educational mission and would welcome the opportunity to discuss how my experience and skills can support your students' mathematical learning journey.

Warm regards,

Henriette Charlotte Beeslaar
