

Here's the cover letter:

Dear Principal and Hiring Committee,

I am writing to express my strong interest in the Y2-3 classroom teacher position at Clevedon School for 2026. With 18 years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that enable every child to thrive.

My extensive background in working with diverse learners, particularly students with special educational needs such as autism, Down syndrome, ADHD, and intellectual disabilities, has equipped me with unique skills in curriculum adaptation and personalized learning strategies. Holding a Bachelor of Education in Foundation Phase and full New Zealand Teaching Registration, I bring both academic qualifications and practical expertise to support student development.

My specialized certifications in Makaton and Sign Language Module 1 & 2 further demonstrate my commitment to inclusive communication and ensuring all students can meaningfully engage with their learning. Throughout my career, I have consistently developed innovative approaches to behavior modification and learning support that celebrate each student's individual strengths.

Clevedon School's reputation for educational excellence and commitment to holistic student development deeply resonates with my professional philosophy. I am particularly excited about the opportunity to contribute my skills to your Y2-3 classroom, where foundational learning is so crucial.

I am confident that my experience, qualifications, and genuine passion for nurturing young learners would make me a valuable addition to your teaching team. I look forward to discussing how my background aligns with Clevedon School's educational vision.

Warm regards,

Henriette Charlotte Beeslaar
