

Tena koe,

I am writing to express my strong interest in the Registered ECE kaiako matua position at Frimley Park Kindergarten. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident that my expertise and passion for inclusive, compassionate teaching align perfectly with your kindergarten's educational philosophy.

My professional background is characterized by a deep commitment to supporting children with diverse learning needs. Throughout my career, I have specialized in working with students with autism, Down syndrome, ADHD, and intellectual disabilities, developing tailored learning strategies that celebrate each child's unique potential. My Makaton and Sign Language certifications have been instrumental in creating inclusive communication environments that support every learner.

Holding a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I bring both academic knowledge and practical experience to early childhood education. My approach focuses on curriculum adaptation, individualized learning support, and creating nurturing developmental spaces where children feel safe, respected, and empowered to explore and learn.

I am particularly drawn to Frimley Park Kindergarten's reputation for inclusive and innovative early childhood education. Your commitment to holistic child development resonates deeply with my professional values and teaching methodology. I am excited about the opportunity to contribute my skills, multilingual capabilities, and extensive experience to your dynamic educational team.

My professional journey has been driven by a genuine passion for supporting children's growth and learning, especially those with additional educational needs. I look forward to the opportunity to discuss how my background and expertise can contribute to your kindergarten's mission.

Warm regards,

Henriette Charlotte Beeslaar
