Dear Principal and Selection Committee,

I am writing to express my strong interest in the Learning Support Coordinator (LSC) and release teacher position at Te One School on the Chatham Islands. With 18 years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your inclusive educational environment.

My professional background is specifically aligned with supporting diverse learning needs. Throughout my career, I have developed comprehensive strategies for students with autism, Down syndrome, ADHD, and intellectual disabilities. My qualifications, including a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, provide a robust foundation for effective, specialized teaching.

My Makaton and Sign Language certifications further demonstrate my commitment to inclusive communication and ensuring every student can access quality education. I am particularly passionate about curriculum adaptation and creating supportive learning environments that enable all students to reach their full potential.

The unique setting of the Chatham Islands presents an inspiring opportunity to apply my skills in a close-knit, community-focused school. My experience in behavior modification and early childhood development would be valuable assets in supporting Te One School's learning support objectives.

I am eager to discuss how my background and skills can contribute to your school's mission. My multilingual capabilities and extensive special education experience make me well-equipped to support your diverse student population.

Thank you for considering my application. I look forward to the opportunity to discuss how I can support Te One School's educational goals.

Warm regards,

Henriette Charlotte Beeslaar
