My professional background is specifically aligned with the requirements of this role. Holding a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I bring extensive expertise in supporting students with diverse learning needs, including autism, Down syndrome, ADHD, and intellectual disabilities. My Makaton and Sign Language certifications further demonstrate my commitment to inclusive communication strategies.

Throughout my career, I have developed a comprehensive skill set in curriculum adaptation, behaviour modification, and personalised learning support. My approach focuses on identifying individual student strengths and designing targeted interventions that promote academic and social development. I pride myself on creating supportive, engaging learning environments where every student can thrive.
