Dear Hiring Manager,

I am writing to express my strong interest in the Learning Support Coordinator position at St Paul's Catholic School in Ngaruawahia. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive learning environments that support every student's unique educational journey.

My extensive background in special educational needs, particularly supporting students with autism, Down syndrome, ADHD, and intellectual disabilities, aligns perfectly with the comprehensive learning support requirements of your school. I hold a Bachelor of Education in Foundation Phase, full New Zealand Teaching Registration, and specialized certifications including Makaton and Sign Language, which enable me to provide nuanced, adaptive educational support.

Currently based in South Africa, I am actively working with a licensed immigration advisor to ensure a smooth transition to New Zealand and am available to relocate within six weeks of formal offer. My multicultural teaching experience and commitment to inclusive education make me an ideal candidate for supporting diverse learning needs.

My approach combines comprehensive curriculum adaptation, behavior modification strategies, and a deep understanding of early childhood development. I am particularly excited about the opportunity to contribute to St Paul's Catholic School, where I can leverage my skills to create meaningful learning experiences for students with diverse educational requirements.

I look forward to discussing how my qualifications and passion for inclusive education can contribute to your school's learning support goals.
