Dear Hiring Manager,

I am writing to express my strong interest in the Y7-8 Technology Teacher position at OneSchool Global - New Zealand. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your dynamic educational environment.

My professional background is uniquely positioned to support diverse learning needs, particularly through my extensive experience working with students with special educational requirements. Throughout my career, I have successfully supported learners with autism, Down syndrome, ADHD, and intellectual disabilities, consistently developing inclusive and adaptive learning strategies that maximize student potential.

As a fully registered teacher with a Bachelor of Education in Foundation Phase and additional certifications in Makaton and Sign Language, I bring a comprehensive skill set to classroom technology education. My approach focuses on creating engaging, accessible learning experiences that accommodate different learning styles and abilities. My curriculum adaptation skills, developed through working with CAPS and DCAPS frameworks, enable me to design technology lessons that are both challenging and supportive.

OneSchool Global's commitment to holistic education aligns perfectly with my professional philosophy. I am particularly impressed by your school's focus on individualized learning and technological integration, which resonates deeply with my teaching methodology.

I am confident that my background in special educational needs, combined with my passion for technology education, makes me an ideal candidate for this position. I look forward to the opportunity to discuss how my skills and experience can contribute to your school's educational goals.

Kind regards,

Henriette Charlotte Beeslaar
