

Tena koe,

I am writing to express my strong interest in the Kaiako Y5 and 6 position at Miramar Central School. With 18+ years of experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that empower every student to reach their full potential.

My Bachelor of Education (Foundation Phase) and current New Zealand Teaching Registration, combined with extensive experience supporting students with diverse learning needs, align perfectly with the requirements of this role. Throughout my career, I have developed expertise in working with students with autism, Down syndrome, ADHD, and intellectual disabilities, ensuring tailored educational approaches that celebrate individual strengths and address unique learning challenges.

My professional background includes comprehensive curriculum adaptation, specialised behaviour modification strategies, and a deep commitment to inclusive education. My Makaton Certification and Sign Language qualifications further demonstrate my ability to communicate effectively with students who have varied communication needs.

Miramar Central School's reputation for inclusive and innovative teaching approaches deeply resonates with my educational philosophy. I am excited about the opportunity to contribute my skills, experience, and genuine passion for supporting student learning and development to your dynamic school community.

I am confident that my background in special educational needs, curriculum expertise, and dedication to holistic student support would make me a valuable addition to your teaching team. I look forward to the opportunity to discuss how my experience and skills could contribute to Miramar Central School's educational goals.

Nga mihi nui,

Henriette Charlotte Beeslaar
