

Dear Hiring Manager,

I am writing to express my strong interest in the Learning Support Co-ordinator position at Massey High School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident in my ability to make a significant contribution to your school's inclusive learning environment.

My professional background is deeply rooted in supporting students with diverse learning needs, including extensive experience working with students with autism, Down syndrome, ADHD, and intellectual disabilities. I hold a Bachelor of Education (Foundation Phase) and am fully NZ Teaching Registered, bringing both academic qualifications and practical expertise to the role.

Throughout my career, I have developed a comprehensive skill set in curriculum adaptation, behavior modification, and individualized learning support. My Makaton Certification and Sign Language qualifications (Module 1 & 2) further demonstrate my commitment to inclusive communication and ensuring every student can access educational opportunities.

At Massey High School, I am particularly excited about the opportunity to collaborate with your team to develop comprehensive learning support strategies. My approach focuses on identifying individual student strengths, creating personalized learning plans, and fostering an inclusive, supportive classroom environment that empowers students to reach their full potential.

My bilingual background in English and Afrikaans, combined with my specialized training in special educational needs, positions me as a uniquely qualified candidate for this role. I am passionate about creating meaningful educational experiences that celebrate neurodiversity and support every student's learning journey.

I would welcome the opportunity to discuss how my skills and experience align with Massey High School's learning support objectives. Thank you for considering my application.

Kind regards,
