Dear Hiring Manager,

I am writing to express my strong interest in the Teacher of Literacy and Numeracy Intervention position at St Bede's College. With 18 years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your school's learning support program.

My extensive background in inclusive education, particularly supporting students with diverse learning needs, aligns perfectly with the requirements of this role. Throughout my career, I have developed specialized skills in working with students with autism, Down syndrome, ADHD, and intellectual disabilities. My Makaton Certification and Sign Language qualifications have been instrumental in creating inclusive, supportive learning environments that enable every student to reach their full potential.

As a registered teacher with a Bachelor of Education in Foundation Phase, I bring a comprehensive understanding of curriculum adaptation and individualized learning strategies. My experience in behavior modification and early childhood development has consistently enabled me to design targeted intervention programs that support students' academic and personal growth.

St Bede's College's commitment to inclusive education resonates deeply with my professional philosophy. I am passionate about creating adaptive learning experiences that address each student's unique educational needs, particularly in literacy and numeracy intervention.

My bilingual background in English and Afrikaans, combined with my specialized training, allows me to communicate effectively and develop innovative teaching approaches. I am confident that my skills and experience would be a valuable asset to your team.

I would welcome the opportunity to discuss how my background could contribute to St Bede's College's educational objectives.

Kind regards,

Henriette Charlotte Beeslaar
