Dear Hiring Manager,

I am writing to express my strong interest in the ECE kaiako positions at Harold Mayo Kindergarten. With 18 years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your exceptional early childhood education team.

My professional background is deeply rooted in inclusive education, with specialized experience supporting children with diverse learning needs. Throughout my career, I have developed comprehensive strategies for working with students with autism, Down syndrome, ADHD, and intellectual disabilities. My Makaton and Sign Language certifications further demonstrate my commitment to inclusive communication and ensuring every child has a voice.

As a registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I bring both international experience and locally recognized qualifications to this role. My approach emphasizes curriculum adaptation, individualized learning support, and creating nurturing environments where every child can thrive. I am particularly passionate about early childhood development and understanding each child's unique learning journey.

Harold Mayo Kindergarten's reputation for excellence and commitment to holistic child development strongly resonates with my educational philosophy. I am eager to bring my skills in behavior modification, specialized learning support, and inclusive teaching practices to your team.

My multilingual background and extensive experience with diverse learners enable me to create engaging, supportive learning environments that celebrate each child's potential. I am confident that my skills and passion align perfectly with the requirements of this ECE kaiako position.

I would welcome the opportunity to discuss how my experience could contribute to your kindergarten's mission. Thank you for considering my application.

Kind regards,

Henriette Charlotte Beeslaar
