

Tena koe,

I am writing to express my strong interest in the Kaiako - Maori Medium position at Haeata Community Campus. With 18 years of extensive experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that empower every student to reach their full potential.

My professional background is deeply aligned with the principles of inclusive education. Throughout my career, I have specialized in supporting students with diverse learning needs, including those with autism, Down syndrome, ADHD, and intellectual disabilities. My comprehensive approach combines specialized teaching strategies, curriculum adaptation, and targeted behavior modification techniques to ensure every learner can engage meaningfully with their educational journey.

As a registered teacher with a Bachelor of Education in Foundation Phase and additional certifications in Makaton and Sign Language, I bring a holistic and adaptive teaching methodology. My experience has taught me that true educational success comes from understanding and responding to each student's unique learning profile, a philosophy I believe strongly resonates with Haeata Community Campus's commitment to inclusive education.

My expertise in curriculum adaptation (CAPS, DCAPS) and deep understanding of early childhood development enable me to create dynamic, responsive learning environments. I am particularly excited about the opportunity to contribute to a Maori Medium setting, where cultural responsiveness and individual student support are paramount.

I am confident that my skills, experience, and genuine passion for inclusive education make me an ideal candidate for this role. I would welcome the opportunity to discuss how my background could contribute to your educational community.

Kind regards,

Henriette Charlotte Beeslaar
